NJCAA / JC Football.com Poll

The NJCAA and JC Football.com will once again team up for the 2009 NJCAA football season to promote two-year college football.

The NJCAA / JC Football.com Poll will rank the top 20 NJCAA football teams in the nation and will be released each Tuesday during the regular season beginning Sept. 8th.

Poll Information

The NJCAA / JC Football.com Poll ranks the top 20 team in the NJCAA each week. NJCAA Football Panel Directors (see previous page for names) select their top 20 teams each week, which are then formulated into the weekly rankings. Panel Directors are not allowed to vote a team No. 1 from their own district until they have played at least five contests. After five contests, a Panel Director may only vote a team from their district No. 1 if they are undefeated. A Panel Director may vote a team from their district No. 2 at any time during the season.

The weekly poll will be released nationally on the NJCAA website (www.njcaa.org) and sent to various news outlets on each poll day at approximately 1 p.m. (Mountain Time). This year's poll dates are as follows: *Sept. 8, Sept. 15, Sept. 22, Sept. 29, Oct. 6, Oct. 13, Oct. 20, Oct. 27, Nov. 3, Nov. 10, Nov. 16 (Final Regular Season Poll) and Dec. 14 (Championship Poll and All-American Release).*
