**2011 DI Volleyball Committee & Poll Information**

**TOP 20 POLL**

Beginning with the first week of September, each NJCAA Region Director will submit, in rank order with overall records, the top teams in their region for poll consideration. The region rankings will then be handed over to Sectional Directors to create a Top 20. The NJCAA will release Division I Volleyball rankings on a weekly basis beginning September 7th.

The NJCAA Top 20 will be released each poll date on the NJCAA ([www.njcaa.org](http://www.njcaa.org)) website.

In order for a team to be eligible for ranking they first must have their schedule/results and stats up to date on the NJCAA website. They must also then be submitted by their region director to the national office for poll consideration.
